DOCUMENT LIBRARY SUPPORT

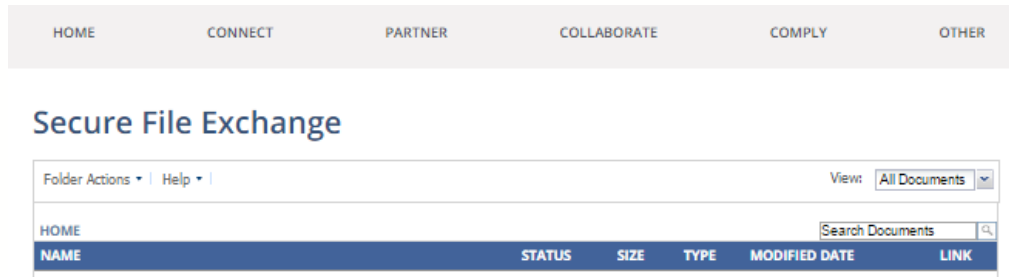

GMSupplyPower@gm.com

©General Motors, 2017, All Right Reserved.

The **Document Library** is available to all registered GM SupplyPower users and includes information related to policies and procedures, commonly used forms, and other training material.

More information about the Document Library can be found in the User Guide under Help.

# SECURE FILE EXCHANGE (SFX)

Unlike the document library, **SFX** is intended for document sharing between smaller teams. Security is normally based upon user ID. Your GM contact will set you up with the appropriate read or write access.

SFX is commonly used by creativity teams to share documents with their suppliers in place of email.

More information about SFX can be found in Help.
